Alexandre Ditzel Faraco assists clients in antitrust and regulatory matters brought before administrative and judicial tribunals, and provides broad-based consulting in connection with business practices and antitrust and regulatory compliance. He has experience in working with complex issues in a wide range of industries, including telecommunications, media, energy, petrochemicals, timberland and beverages.

Mr. Faraco also advised government agencies regarding regulatory matters in network industries. In addition, he actively represents clients in private equity and corporate transactions.

Mr. Faraco is currently a Professor of antitrust law and law and economics at the Federal University of Paraná.
